

DEEP CREEK WATER USERS MEETING
March 2, 1976

The meeting was opened at 9:30 a.m. with Don Norseth presiding.

Don read the minutes of last years meeting - minutes approved as read.

Don read the financial report. Laris Wooley moved to approve the report, seconded by Ferrell Simmons - motion carried.

Charman Justice gave her commissioners report. Charman requested a delivery schedule for Julius Park Reservoir. Don Norseth suggested that Mosby Irrigation Co. should advise the commissioner on how they want the water in the reservoir delivered. There was some discussion on how to deliver the reservoir water, acre feet or second feet. Don said he would send the commissioner an area capacity curve for the reservoir. Charman mentioned that the trash racks on the overflow structure keep plugging up with debris and that something needed to be done. Don said that he would come out and take a look and see what could be done. Charman wanted to know what to do about the excess Deep Creek water she delivered. Don requested a list of those she delivered to. It was mentioned that Orlando Cook needs to put in a weir.

It was moved by Charman Justice and seconded by Martin Huber that the budget be set at \$3,000.00 and the assessment be \$3,000.00 - motion carried.

It was moved by Martin Huber and seconded by Marvin Huber that Charman Justice be recommended for Water Commissioner - Motion Carried.

There was some discussion on building a regulating reservoir on Deep Creek.

Meeting adjourned at 10:45 a.m.
